EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Dennis Rodgers on July 20, 2004.

The application has been amended as follows:

In the specification, on page 7, line 9, "nor shown" has been changed to --not shown--.

In the specification, on page 8, line 7, "the make" has been changed to --they make--.

In the specification, on page 9, line 4, "(not shown)" has been deleted.

Claim 28 has been amended as follows:

28 (Amended). The portable platform according to claim 27, [further comprising]

wherein the support base comprises an angle bracket connecting the molding tool to said surface.

2. The following is an examiner's statement of reasons for allowance: the reasons for allowance for independent claim 34 are the same as the reasons for allowance for claim 26, set forth in the office action mailed 3/9/2004. Regarding independent claim 27, it is noted that the Examiner, in the office action mailed 3/9/2004, indicated that claims 13-18 would be allowable if rewritten to overcome the rejections under 35 U.S.C. 112, second paragraph, set forth in that office action and to include all of the limitations of the base claim and any intervening claims. Independent claim 27 corresponds to claim 13 rewritten to correct the issues with respect to 35

USC 112 and to include the limitations of the base and intervening claims. The indication of allowability for such a claim has not changed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Erica E Cadugan whose telephone number is (703) 308-6395. The examiner can normally be reached on M-F, 7:30 a.m. to 5:00 p.m., alternate Fridays off.
